September 13, 2018

The meeting was called to order at 5:30 p.m. Present were Patches Sapp, Don Anderson, D.E. McColl, and Doug Enos.

The Commission heard comments from the public concerning a proposed development at 3213 County Road 600 E near Fisher, Illinois.

The Commission then considered amending the zoning ordinance for solar energy. It heard comments from the public and then reviewed a proposed ordinance. Upon Motion by Don Anderson and second by D.E. McCool recommended that the ordinance be approved subject to edits made at the meeting. It was approved by unanimous roll call vote.
