

TIF Committee Meeting

Tuesday, 11 January

6:00 pm

Fisher Community Building

Minutes

Meeting called to order at 6:00 pm. Present: Angie Seidelman, Brock Deer, Joe Brown, Roger Ponton, Michael Bayler, and Debbie Estes

Debbie discussed the 53 home development on the 20 acres directly West of Heritage Estates (South of the waterway). Debbie outlined the area and drew a crude mock up of the proposed development. Discussion ensued related to the formation of TIV IV that would encompass this twenty acres, the twenty acres the North and the remainder of the property within the Village of Fisher limits. All members in agreement to proceed and recommend this action to the full board at the next regular meeting.

Talked about TIV II and the possible development of the thirty acres North of the public works building. The consensus of the committee was to wait until developers approached the Village about a possible development and proceed from there.

Meeting adjourned at 6:45 pm.
